

You are cordially invited to the following session:

SMARTER INSULIN DECISIONS WITH REAL-TIME CGM IN PRIMARY CARE

Learn who can benefit from the use of real-time CGM and how Dexcom G7 can simplify insulin use and enhance diabetes management.

At the end of this session, participants will be able to:

- Review CGM options
- Discuss challenges to insulin management
- Explore how Dexcom G7 can help with 3 common insulin scenarios

Dr. Alex Abitbol
MDCM, FRCPC

April 30th, 2026
12:15pm to 12:45pm
