

FACT FICTION?

Challenging CGM Myths and Revealing Clinical Realities

Attending the Diabetes Canada Conference? **YOU'RE INVITED!**

Myth or reality? Put common beliefs about continuous glucose monitoring (CGM) to the test. Join us for one of two exclusive, by-invitation-only dinner conferences for practical review of common misconceptions surrounding CGM in diabetes management. Leave with evidence-based insights and practical approaches to support CGM adoption and optimize diabetes care.
