# CLARITY INFO SHEET AND AGREEMENT

FOR AHS ADULT DIABETES CENTRE CALGARY PATIENTS

Dexcom is a continuous glucose monitor. Glucose values measured by the sensor are uploaded to the cloud-based website, Clarity. The website allows you to share your data with clinics, if you choose.

The Clarity website is at <https://clarity.dexcom.eu>

## AGREEMENT TO SHARE INFORMATION WITH DIABETES CENTRE CALGARY

If you decide to share your information with the AHS Diabetes Centre Calgary (DCC), only staff authorized to provide you with health services will be able to view your information. This will occur only for the purpose of providing you with health services. Please note that **your data is looked at by clinic staff ONLY when they are actively providing services to you, and is not monitored regularly.**

Your sharing of data uploaded to Clarity is voluntary and will not impact the health services you receive at DCC.

If you choose to share your information and change your mind later, you may revoke your sharing agreement at any time.

If you agree to share your data with staff at DCC (Diabetes Centre Calgary), read the terms and conditions in the App (described on the next page, and enter the clinic code: DCCalgary. You will then be sharing data with DCC staff.

**Collection Notice:** Your information is collected by Alberta Health Services for the purpose of providing you with health services under section 27(1)(a) of the *Health Information Act*. If you have any questions about the collection of your information, please ask your Clinic Health Care Provider.

## STEPS TO SHARE DATA WITH THE CLINIC

1. Install the Clarity App on your Smart Phone  
Be sure to **install the correct App** (G6 or G7) to link with the CGM model you're using.
2. To authorize the clinic:

### On the G7 App

Go to Connections.

Enter clinic code: DCCalgary

Tap on Continue

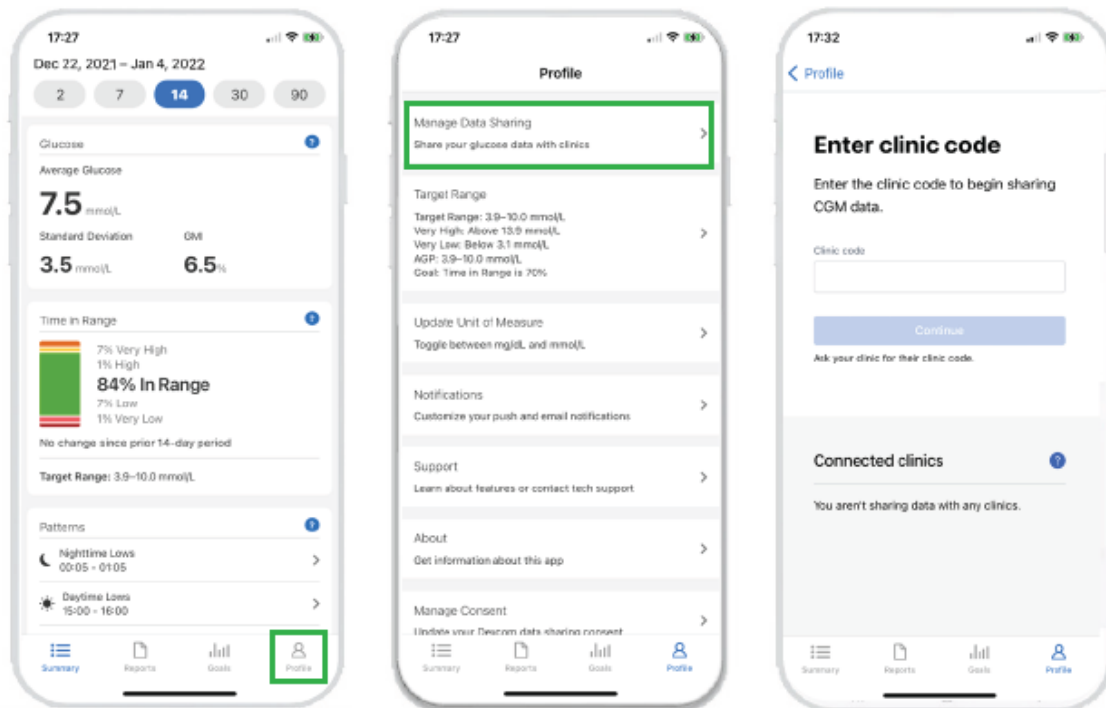

**Collection Notice:** Your information is collected by Alberta Health Services for the purpose of providing you with health services under section 27(1)(a) of the *Health Information Act*. If you have any questions about the collection of your information, please ask your Clinic Health Care Provider.

## On the G6 App

Go to Profile > Manage Data Sharing.

Enter DCCalgary

Tap on Continue

**Collection Notice:** Your information is collected by Alberta Health Services for the purpose of providing you with health services under section 27(1)(a) of the *Health Information Act*. If you have any questions about the collection of your information, please ask your Clinic Health Care Provider.
