

Providing patient support for Semglee® and Kirsty™

CERT. 00001001VI GROUP 37437

CERT. (QC only) 00002001VI

Dear patient,

You have been provided Semglee and Kirsty financial assistance that you can use at the pharmacy to reimburse the cost of Semglee [insulin glargine injection (rDNA origin)] and Kirsty (insulin aspart injection) prescription. Simply hand this Semglee and Kirsty certificate and your Semglee and Kirsty prescription to your local pharmacy and up to 25%\* of the cost of your prescription will be paid on your behalf.

\*Based on reasonable upcharge, mark-up and customary pharmacy fee.

Terms and Conditions

Semglee and Kirsty should be used as directed by your physician.

- You may still be required to pay out of pocket as these costs may not be fully covered.
• Program valid only in Canada.
• The program may change or expire at any time without notice.

Instructions for pharmacists

The payment for the claims should be processed through ClaimSecure in the following manner:

- Select CLAIMSECURE as the drug plan.
• Enter the Certificate number (10 digits) as it appears on the reverse.
• Enter the Group ID number.
• Ensure CARDHOLDER is selected as the Relationship Code.

If your patient has an electronic drug plan (either public or private), please enter ClaimSecure Semglee and Kirsty certificate information as the LAST PAYER. Send the claim electronically to your patient's regular plan first and then coordinate the claim with ClaimSecure for the difference.

If your patient does not have drug coverage or a pay direct plan, please enter ClaimSecure as the PRIMARY Plan.

This is a multi-use certificate number.
